Each member of the public would be entitled to speak once only in respect of business itemised on the agenda and should not speak for more than 4 minutes. The period of time which is designated for public participation in accordance with standing orders shall not exceed 20 minutes. No members of the public were present.

**2311/536 To receive and consider the updated Neighbourhood Plan, Appendices and associated documents.**

The Chair thanked Mr Arnold for all the work he had carried out preparing the documents for this meeting. In addition to the agreed documents (the basic conditions statement and consultation statement), Mr Arnold had drafted the remaining suite of documents that would support the Northam Neighbourhood Plan through its submission and examination process. The list of documents prepared was:

- i. A document list for the Northam Neighbourhood Plan
- ii. Northam Parish Heritage Assessment
- iii. Northam Neighbourhood Plan Community Engagement Strategy
- iv. Northam Neighbourhood Plan Record of Community Engagement
- v. Executive Summary

- vi. Consultation Statement
- vii. Equality Impact Statement
- viii. Basic Conditions Statement
- ix. Statement of Conformity with EU Obligations and Legislation (the former SEA/HRA Screening reports and it may become part of the Basic Conditions Statement.)

The Group reviewed the submitted documents noting that recent events would necessitate some editorial changes, specifically the change of title for the North Devon Coast AONB to the North Devon Coast National Landscape. A similar approach would need to be taken for other documents that would change the basis or evidence for the emerging Neighbourhood Plan.

It was **resolved** to approve the draft of the Northam Neighbourhood Plan, Appendices and supporting documents.  
Proposed: Cllr Brading, Seconded: Cllr Hodson. All in favour

**Action points:**

- NA to redraft the Plan, Appendices and Supporting Documents as appropriate in response to changes in the nomenclature of the North Devon Coast AONB and submit a list of other corrections and editorial notes.
- GL to carry out the corrections as identified currently in the documents' *editorial notes* and in response to the above action in the documents currently approved.

**2311/537**

**To note the next steps in the preparation of the Northam Neighbourhood Plan.**

The Group noted that the Plan had progressed through the first eight steps of the 11 identified, as follows:

*Completed stage:*

- Step 1 – Designate a Neighbourhood
- Step 2 – Publicise Neighbourhood Area
- Step 3 – Parish/town Council prepare Neighbourhood Plan
- Step 4 – Building evidence for your plan
- Step 5 – Developing a vision, key aims and objectives
- Step 6 – Writing the Neighbourhood Plan
- Step 7 – Strategic Environmental Assessment Directive (SEA) Requirements
- Step 8 – Pre-submission Consultation

*Current stage:*

- Step 9 – Editing and Submission of Neighbourhood Plan

This would be supported by the 9 documents listed in the previous minute and the Appendices.

*Stages to start:*

- Step 10 – Publication Consultation and Independent Examination (which includes a minimum 6-week consultation period)

On submission of the Neighbourhood Plan and the associated documents stated above, the District Council checks that the submitted documents satisfy the legal requirements before the Neighbourhood Plan is subject to a minimum 6 week public consultation.

During the consultation period, the District Council will arrange to appoint an Independent Examiner and submit the Neighbourhood Plan and the associated documents along with the representations received for independent examination. Please note: During the examination, the Examiner will test that the Neighbourhood Plan fulfils the Basic Conditions. The Examiner will issue a report which must be published and considered. The District Council must consider the Examiner's report and refer the Plan to public referendum or refuse the plan.

#### Step 11 – Referendum and Adoption

In reaching a decision, the Council will publish a decision statement and make arrangements to organise a public referendum. Not less than 28 days before the date of the referendum, the District Council must publish on their website and make available an information statement and specified documents in relation to the referendum. This information must be available throughout the referendum period. Where a referendum results in a majority yes (over 50% plus 1) the Council must make (adopt) the Neighbourhood Plan as soon as possible, it then becomes part of the Local Plan for the District.

#### 2311/539 **To consider costs for proofreading, document design and map production.**

It was **resolved** to engage professionals to assist with the work on the Neighbourhood Plan as follows:

Engage the Council's mapping provider (*Pear Technology*) to prepare the maps as identified (below) at the quoted cost (approx. £1,700)

Engage a designer (*gfivedesign*) to design the document(s) and create a dedicated website at the quoted cost (approx. £2,750)

Proposed: Cllr Brading, Seconded: Cllr Hodson. All in favour
